

Student Council Tries To Bring New Policies to WHS

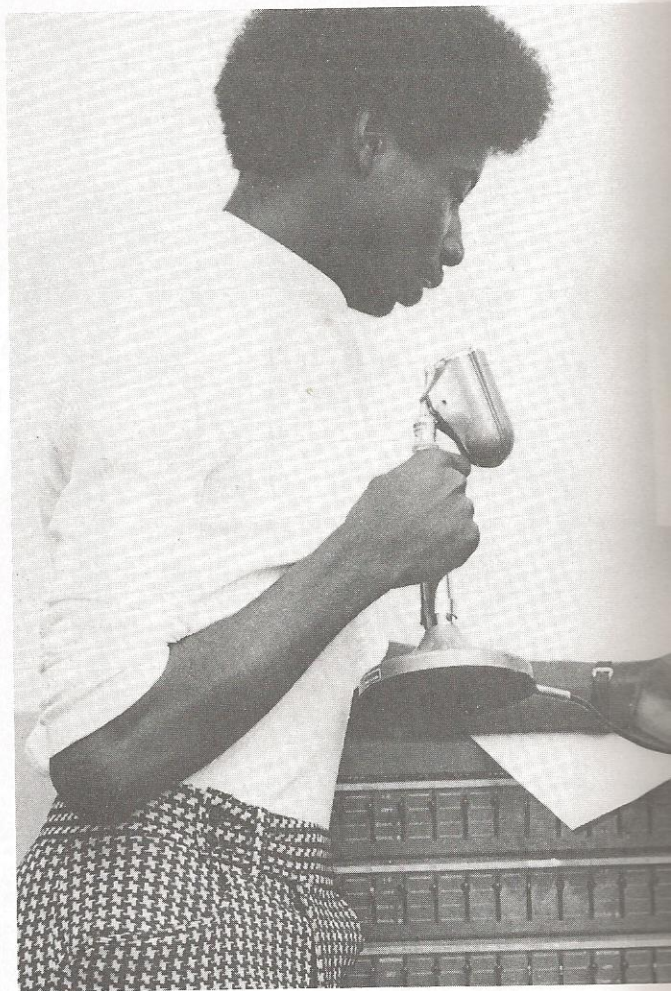

The WHS Chapter of the Student Council started the '73-'74 school with full speed in hopes of reaching many goals.

In November, the President, Oliver Barnes, and the Vice-President, Nathaniel Gant, attended the 26th annual South Carolina Association of Student Councils in Spartanburg, South Carolina. They returned with many new ideas.

At one of the Student Council meetings, the members contributed money to be sent to the Foundation of Multiple Sclerosis.

Each committee worked hard on different projects. The Clubs Committee, headed by Sheila Tilman, put together a booklet of the clubs at WHS and their members.

In the spring, the Student Council worked to install a bicycle rack for students who rode their bikes to school to save gas.

Ethel Davis, Joseph Reid, Karen Campbell, James Mitchell, Teddy Broughton, Brenda McMillan, Mark Beach, Karen Williams, and Judy Holliday all listen attentively at a Student Council meeting.

Nathaniel makes announcements, one of his many duties as President.
