

Broadcasting Club Reorganizes

In April, 1973 the WHS Broadcasting Club came from the Academy Awards of Student Broadcasting with the creativity award. In addition, Ms. McIntyre received the South Carolina Student Broadcasting Association Faculty Advisor of the Year award. Judy Foley received the WHS Outstanding Student Award for 1973.

Each Sunday at 1:00, a club-produced program was aired on WALD. The tapes were sent into the State Broadcasting Association for review and possible consideration for awards. Professors from the University of South Carolina School of Journalism judged the material sent in by the thirty clubs in the state.

The club re-organized this year by departments: music, engineering, features, news, and sports. The head of each department was a member of the Board of Directors. The Program Director, Judy Foley, was responsible for each program. In addition to its regular features such as the Boner of the Week, Sports, News, Spotlight Teacher, Mystery Student, and Music, the club presented specials on WHS graduate Jimmy Williamson and the D.E. program.
