

History Club President Rose Mary Kelly calls the meeting to order.

N.H.S. members "feed their faces".

The National Honor Society provides many services for the students, school and community. This year they provided food for the needy at Thanksgiving, worked for the Toys for Tots at Christmas, and raised money for these projects by operating the refreshment stand during the basketball games.

Twenty-three students were inducted into the organization on November 14. The nineteen juniors and four seniors had an academic average of at least 90 and passed the rigorous judgment of a faculty committee.

The History Club is designed as a supplement to the required American History course. Mrs. Barnes and Mr. Willis act as club advisors and bring in unusual and different information related to exploring the past. Mrs. Barnes presented a lecture on the collecting of old bottles at the January meeting.

As part of next year's program the club explored the possibility of beginning an excavation of what appears to be the remains of an Indian settlement in Colleton County.

Literary Club President Linda Gaskins, and Secretary-Treasurer Annette Whetzell, go over the agenda for the next meeting.

(Above) Jerry Miley makes his point at a Science Club meeting. (Bottom right) Av-Lib members, Luann Nix, Carrie Pinckney, and Barbara Wilson get ready to leave for the club's yearly trip.
