

## Colleton Clubs Add Variety To Student Life

The Colleton clubs this year have proved to be a success in that they have met the needs of the students. Clubs ranged from the traditional History and Student Council to Sportsmanlike Driving and Charm. The clubs met once a month with the programs varying.

Trips were a vital part of club programs. The English Club, sponsored by Mr. Laird, traveled to Charleston to the Dock Street Theatre. Miss Randal's History Club made a trip to Savannah. The annual staff at CHS aided the WHS annual staff by selling annuals. The Broadcasting Club worked with the Walterboro High Broadcasting Club and aired a ten-minute program on CHS activities periodically on WALD.

Clubs were hampered because they only met once a month. Nonetheless, the clubs improved Colleton High life.
