

# Students Attend Assemblies

Several special programs have been presented in assemblies this year for the students' entertainment. The Carolina Choir came October 4, 1974 and performed a variety of rock, religious, and humorous songs.

The annual staff presented an assembly program to build interest in their 1975 annual. Skits were designed to portray the different sections of the annual and the staff members were introduced. The students really enjoyed the skits.

Mrs. Buckner sponsored a party for chorus members to celebrate the Summer-ville game tie. Students brought their lunches and went to the Gladys Whidden Park in Forest Hills to eat. The Cheerleaders led yells and songs for the Bulldogs. Then they departed on school buses and went to Hampton Street Auditorium for a short practice. They returned to school shortly before fifth period.
