

Opinion Poll Brings Forth WHS Favorites

Students were polled in late November to find out what were the most popular activities and pleasures of this year. Juniors and seniors answered such questions as "What was your favorite singer?", "Which movie did you most enjoy?", and "What magazines do you read on a regular basis?"

Reactions were varied greatly. In the movie category, answers ranged from *FOXY BROWN* to *THE EXORCIST* to *WALKING TALL*. With the magazine selection responses really went to the extremes. Several students have subscriptions to *JACK & JILL* and interestingly enough *PLAYBOY* and *PLAYGIRL* were among the top four. Now, wonder why?

Musical interests were so diverse that it was almost impossible to find several that were above any other one. The most popular activity or hobby was participation in a sporting event. Dancing, singing, drinking, reading, and sex ranked among the top ten.

Numerous singers and groups are popular with WHS students. Favorites range from Chicago to Al Green to Elton John.

Favorite pastimes include the ever popular activity of dancing. Here the prom provides ample opportunity to indulge in this recreation.

It may come as a surprise to teachers, but it seems that students still like to look at the pictures instead of reading the words. These four magazines were among the top five.
