

Bulldogs Surprise Greenwaves

The third game of the year was against archrival Summerville and was played in pouring rain. The Greenwave came to Walterboro expecting to win, but when the weather cleared in the second half the Bulldogs were in command. Summerville had underestimated the Dogs and was looking ahead to the contest a week away with unbeaten Middleton. It was a drastic mistake.

The first touchdown of the game and the year for the Bulldogs came on a half-back pass from Robbie Robertson to Nick Nick Pinckney. This touchdown, Burt Bazzle's extra point, and a spectacular 66 yard touchdown reception by Mike Price brought the points needed for the 13-13 tie.

At Roberts the Bulldogs were out to prove the Summerville game was not a fluke. The Bulldogs put 6 points on the scoreboard in the first half, but roared back in the second half crossing the goal line three times. The final score was 24-0. Robertson and Ramsey each scored twice.
