

(Above Right) Wes White scores one of the two touchdowns he scored against Wando; immediately afterward Burt Bazzle, (Right), kicks the extra point, which was good.

## Bulldogs Post Winning Season

The Bulldogs hosted the Goose Creek Gators in a Homecoming contest that they lost 24-7. Jackie Ramsey scored a TD and Burt Bazzle kicked the extra point in the second quarter to give the Dogs a 7-0 lead. This was their only score, however, as the Dogs lost their second consecutive Homecoming game, this time to a non-conference team.

The most important game of the '74-75 football season was the duel against the Wando Warriors. A conference game, the match against the number one, undefeated rival turned out to be a glorious victory for the Bulldogs. Not only did the Dogs hand the Warriors their first and only defeat, they managed to boost their conference record to 3-2 for a winning season. Junior Wes White displayed his uncanny "single-handedness" as he was the only scorer in the game. White received two touchdown passes, which combined with Burt Bazzle's consistent "extras" for the final score of 14-6.

The Bulldogs held the trump card con-

tinuously throughout their last seasonal game, which was played against their county rivals, the Patriots of Ruffin. The Dogs dealt out eight touchdowns, while Ruffin managed only one score. Seniors Robbie Robertson, Jackie Ramsey, and Donnie Brinson each scored one TD in their last game while senior Mike Price scored two TD's. Senior Burt Bazzle, who now holds the field goal record of 32 yards at WHS, kicked four extra points. Another senior, Mark Herrin, caught an end zone pass for a two-point conversion. George Cochran, Jerry Cochran, and Raymond Ford all crossed the goal line to bring the Bulldogs to a not so startling, but satisfying, finish of 54-6.

The 1974-75 football season was, for the Walterboro Bulldogs, a very good one, and the best since Coach Fred Bradley has been here at WHS. The Bulldogs were only skunked twice during the season. On the other hand, the Dogs tied in two games for a new game high. They scored 54 points which is one point less than

the existing record. The team scored 31 TD's in all. This added to Burt Bazzle's 17 extra points and two field goals, boosted the Dogs to 213 total points for the season. In comparison, opponents scored only 129 points against the Dogs this year. Raymond Ford was one of the most outstanding junior players, with three interceptions to his credit. Wes White was the only scorer in two games. Jackie Ramsey rushed for over 1,000 yards this season, scored seven touchdowns. Ramsey and his teammates succeeded in gaining 436 yards against the Beaufort Eagles.

The Dogs finished with a 6-4-1 record on the season and a 3-2 record in the conference. Five members of the WHS squad made the all-conference team for the 7-A AAAA conference. These were halfback Jackie Ramsey, cneter Charles Shark, defensive lineman Charles Breland, defensive end Raymond Ford, and defensive back Lonnie "Bobo" Stanfield.
