

# CELEBRATION

While the entire country can participate in the Bicentennial, only WE can rejoice in the 50th anniversary of WHS. Since 1926 numerous changes have come about but learning and involvement still prevail.

September 1975 marked the end of five successful years of integration and this has definitely been the biggest change to occur.

So Walterboro High School . . . Let's Celebrate!

Celebrate to proclaim publicly with festivities and exhilaration. Walterboro High has many things about which to celebrate.

Everyone in the country is celebrating America's 200th birthday. Even at Walterboro High we have students actively involved in the Spirits of '76, a youth group dedicated to promoting and spreading the enthusiasm that should accompany this festival.

The 76 members are led by Mrs. Laura Lynn Hughes, Social Studies Chairman for, Walterboro High.

Is it gonna blow? Five years of integration have brought about togetherness and concern for one another.
