

Surprise! Mrs. Buckner is pleasantly caught by the surprise gifts her chorus students gave her after the Chorus Christmas concert.

Two-Hundred Years are celebrated by the Spirits of '76, a community program that began with students at WHS.

Assemblies became one of the main attractions around WHS. There were of course the usual pep rallies during football season. Christmas brought the Chorus Concert and special programs by the Spirits of '76 held at Hampton Street Auditorium. Nearing spring the induction of new members into the National Honor Society was held in the gym.

Sports as always was a big attraction for crowds. Both football and basketball games drew huge crowds into the stands.

Hallelujah! sing chorus members during a segment of their annual Christmas concert.

"Does it hurt?" asks Coach Richard Starks to Kenny Broughton. Kenny suffered a broken bone just below his knee while playing basketball.
