

HARMONY

Chorus members combined hard work, determination, and long hours to obtain happiness. They had the chance to pass on this happiness to others as they presented their annual concerts.

"Christmas is Forever" was the theme of the 1975 Christmas Concert held on December 14. Songs ranged from traditional to contemporary. The music for Spring Concert incorporated the twelve months of the year.

The chorus was fortunate to have had two talented accompanists . . . Leadership responsibilities fell on the student directors as they kept study halls and carried on in Mrs. Buckner's absence. Minnilynn Byrd, assisted by Jeanette Pollard, handled financial affairs, while Rhonda Rhode and Brenda Manigo acted

as librarians.

Sixteen chorus students auditioned for All-State Chorus. A record number of fourteen was selected. Three persons earned positions in the Honor's Chorus.

Music fundamentals were stressed in Chorus I. Meeting fifth period, the small class of girls enjoyed singing and learning basic music theory.

Mrs. Buckner continued to be a constant source of inspiration and vitality to her students. She willingly gave of her time as she taught at three schools. Past students will always remember her, present students love and respect her, and future students look forward to being a part of her chorus.

STUDENT DIRECTORS Deborah Brooks, Melvin Williamson, Jean Bishop held positions of leadership in chorus.

Girls chorus practice for the upcoming Christmas Concert.

WHAT WOULD WE DO WITHOUT THEM? Accompanists Kathy Smith and Julie Crosby were indispensable.

Chorus members chat behind the curtain anticipating the opening number.
