

"Everybody Listen!" Mr. Young hands the band some new music.

"BAND OF BLUE"

A new feeling of pride was instilled in the band members as well as in the citizens of our community when the band adopted the name "Band of Blue."

The title seemed to have a magic effect. It compelled the musicians to strive harder to be number one. Their efforts proved worthwhile as much success was achieved.

The year began with practice for appearances at football games, pep rallies, and marching contests. Spectators were held spellbound by the "Band of Blue's" intriguing routine. Their performances also impressed judges, which resulted in their winning superior trophies at Coastal Carolina and Southern States Marching Contests. The band was awarded an excellent rating at the State Marching Contest in Spring Valley.

There was no slowdown in the busy schedule after marching season. All-State, Eastern Region, the Pops Concert and Spring Concert kept band students occupied. Much time, work, dedication were required as the band participated in the initiation ceremony for the Spirits of '76, Colleton County's Rice Festival and graduation exercises.

The Band students were rewarded for their faithfulness to their responsibilities with a trip to Six Flags Over Georgia. "Band of Blue" you truly made us proud of you this year.
