

## **Dogs Prove That Their Bite Is Worse Than Their Bark Bulldogs Stand Superior In Baseball**

Smashing describes how our baseball season got under way. Of the eighteen games we played, we lost four games by a margin of one run. The action started off booming. By the fourth game the action temporarily slowed down. We lost the next two games to St. Andrews and Battery Creek. The energetic boys refused to be defeated. We came back full of energy, to claim victory over Summerville, Wando, Roberts, and Berkley. The highlight of this season was the second game with St. Andrews. Raymond Ford set a school record for striking eighteen outs in one game. The game was won with a score of 20-3.

There was only one homerun this season. Bert Bazzle hit it in the game against St. Andrews. We were victorious over Battery Creek. The best player award wasn't given this season. To us, each of our boys deserved the best player award.
