

WOW! Steve, Great tee! Too bad you only needed a putt. Steve Powell tees off in a goal match.

## Victories Were Not A Major Factor

Steve Powell, Robbie Hogan, Wes White, Brad Bradley, James Ackerman and Steve Till, were the backbone of the golf season. The boys were coached by Danny Thomas. Victories weren't a major factor in this season but the young team was spirited and had the desire to win. Only one senior was on the team. Even though there weren't many victories, they gained valuable and much needed playing experience.

Don't forget to hit the ball: Wes White puts in a goal match.

Not too hard, Wes. Wes White tries to tip the ball in the eighteenth hole.
