Dogs Scalped Indians

Gaffney presented our sixth winning victory. Bobo Stanfield stole the ball from the Indians. By doing this, Bobo Stanfield gave his teammates a field position on their own forty-seventh yardline. Jerry Cochran got the ball and ran fifteen yards. At this time, a one yard penalty was called on us for clipping, but that did not stop Jerry who came right back and ran fourteen yards, turned around and ran four more. By this time Raymond Taylor got the idea and ran seventeen yards. Nick Pinckney ran the next six. Jerry Cochran came back and burst through with the first touchdown. Brady Howe added one point to the score with an after point. Gaffney, wanting revenge, put together a drive trying to match the score that was on the board. But the attempt was killed when they fumbled the ball and Floyd Ferguson recovered it on our thirty-one yardline.

Gaffney finally worked themselves on the score board after much strain and made the score seven to six in our favor. Bobo Stanfield couldn't stand it. He stole the ball from Gaffney and broke through for another touchdown. Nick Pinckney, Raymond Ford, and Wes White were responsible for the next touchdown. Brady Howe ran the after score point. At the beginning of the fourth quarter, Danny Williams broke through and made the fourth touchdown. The after point attempt was no good. The action kept booming. Melvin Williamson intercepted a pass which left us on the seventeen yardline with five minutes on the clock. Jerry Cochran made another touchdown and Casey Price made the extra point, leaving the score thirty-four to six.

Danny Williams carried the ball twenty-seven yards. Gary Bodison got two yards and Victor Radcliffe, with the blocking of Ted Stanfield, ran the final six points.
