

Green Waves Claim Revenge

I made it! I made it! Jerry Cochran throws himself in the end zone.

There are no words to describe this game with Summerville. But we don't blame the players. Although there were some mistakes, the game started off smoothly. We controlled the first advantage over Summerville. They had trouble controlling Raymond Fords' opening kick off. But, Gary Bodison got the show on the road. Bodison ran 20 yards and penalty was called on Summerville, we had the ball on Summerville's 42 yard line. The game was back in our hands! Those plays went by and we were on the 11 yardline. Nick Pinckney ran 3, then Jerry Cochran took control by running the final yard. He was jammed hard at the 4th, but that didn't stop him. He knocked his attacker off and kept on trucking, as a result he threw himself in the end zone making the first touchdown for Walterboro. There was 5:17 on the clock when Jimmy Sanders blocked Brady Howe's after point attempt. Just before the 2nd quarter ended an unsportsman like penalty was called and the table turned again, but this time on us. Late in the 3rd Nick Pinckney snatched the ball from Summerville and carried it along with two Green Wave defenders into the end zone. We didn't get any more points in the game. Finally the game was over. The Green Wave claimed victory and got their revenge.

I wanna hold your hand! Lander Manigo defends his teammate.
