BULLDOGS PAW RAMS

The Bulldogs started the season fighting, scoring, and winning.

The James Island Rams traveled to Walterboro and became the first team to face the Bulldogs for the season. We had the advantage of an early lead over our visitors.

The bite of the dogs put the Rams out of action in the third quarter; and the Rams managed to shake off the dogs' treatment. However we came back with another bite which gave us a victorious score of 67-59.
