Annual Staff	180

After many hours of thought the annual staff decided on the theme "Reachin' Out." We feel that '76-'77 has been one of the most productive years of learning. We also believe that we as students of WHS have improved in our ability to work together and with the faculty. The students of WHS have learned to reach out to each other to help push WHS through the good times and the bad.

We feel that the clasped hands on the cover of our book symbolize the friendship and cooperation that has become a part of Walterboro High School.
