

# THE FONZ!

1. In front of the TV watching the very popular "Starsky & Hutch" seems to be the students' favorite place at 9 o' clock on Saturday nights.
2. Everyone seems to think that Rerun is "What's Happening."
3. Hey! Fonz, the man with the plan for every occasion, is one of our favorite people.
4. President Carter received many votes in both our mock election and in our opinion poll. WHS students feel that he is indeed capable of doing the job right.
5. The beauty and bravery of Charlie's Angels have made them very popular with both the males and females of WHS.
