Juniors . . .

half way there

Juniors . . .

Half way there

You're over the hump – half way there – to graduation. You're no longer an underclassman, but you're not a senior either. Are you a Junior? Sounds very important.

You must make your junior year great or suffer the consequences. Next year the juniors will have a chance to make their mark at Walterboro High.

GOOD LUCK AND MUCH SUCCESS IN EVERYTHING YOU DO!
