

## Varsity Basketball -- Boys

*The Walterboro High Bulldogs sported an impressive 14-win, 7-loss record. Over all the Bulldogs had a very good season. If all members of the team would have played their full potential every game the conference would have been the property of the Bulldogs. For the past few years, the varsity basketball team have been quickly moving to the top of the conference and this year they almost made it. Congratulations to head coach Francis Simmons and Assistant Jerry Seale. Also the main congrats go to the Walterboro Bulldogs' Varsity Basketball team, 1978-1979.*
