

This year's edition of the Varsity Cheerleaders was the best that Walterboro has had in years. Their grace and spirit moved through the students at WHS. They would always build enthusiasm before a ballgame, and would always keep the enthusiasm going throughout the game. Their acrobatic skills always kept the fans entertained. They had car washes and sponsored other activities to help themselves and their school. This was indeed, a good year for the cheerleaders.

Janee Blue: Cheerleader advisor
