

BLOODMOBILE GETS GOOD RESULTS FROM WHS

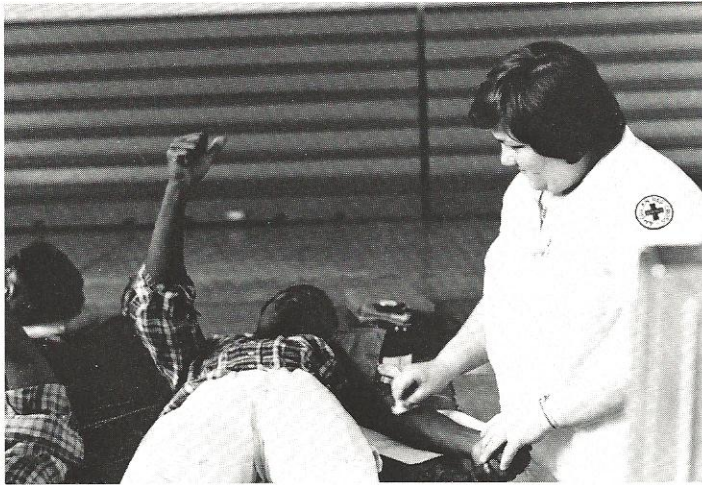

The Bloodmobile came to Walterboro High on December 19, 1979. A total of ninety-nine pints were donated. It shows that WHS has a lot of heart and a lot of BLOOD.

The nurse's questions seem to confuse Vincent Gilmore.

Stanley Brown doesn't seem too thrilled about being picked in his ear.

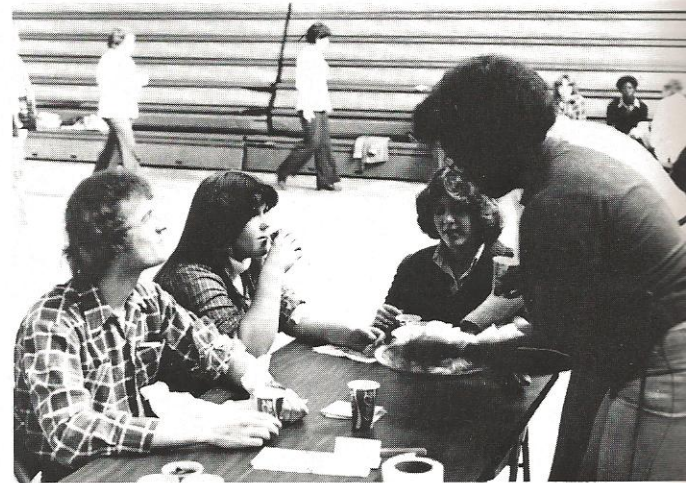

This student prepares to donate a pint of blood.

Cindy Jones asks the nurse, "Does it hurt?"

Finally, RESULTS!

The donors enjoy the refreshments after giving blood.
