

## Block "W"

To assist the athletic department in recognizing and honoring its athletes. Special projects sponsored by the club provide financial aid for the athletic awards program.

President — John Barnes

V. President — David Crosby

Secretary — Mary Washington

Treasurer — Justin Strickland

## Garden Club

As a relatively new club, The Garden Club has become so popular that membership has had to be restricted. Members study a variety of aspects of gardening from vegetable gardening to Yuletide dried arrangements.

Members are given the option to join the 4-H at the same time with much assistance coming from Clemson extension service. The objective of the club is to some day have horticulture taught at WHS and to work toward having a greenhouse built at the new school.

President — Sabrina Gerideau

Vice President — Virginia Dale

Secretary — Vickie Strickland

Treasurer — Michell Davison
