

Math Club

The Math Club was formed to stimulate interest in mathematics. It is used to show the students that Math can be fun, hot, and drudgery. It allows those who are interested in Mathematics to expand upon their knowledge while at the same time it provides a program for those who need or want help in Math.

F.T.A.

The Future Teachers of America Club is organized with the aim of being exposed to the advantages and disadvantages of the teaching profession. The FTA was first founded at Walterboro High School by Mrs. Ruth Thomas.

Some of the projects of the FTA include the annual Talent Show and the Teachers Appreciation Day. Members also visit local schools and plan an Easter Egg Hunt for pre-school children.
