

# National Honor Society

This years chapter of the National Honor Society has strived to be unique, to do things no other group before us had done.

To help us attain that goal we sponsored such projects as a Halloween Party for the children at the Walterboro Child Development Center and a drive to provide the underprivileged children of Colleton County a merrier Christmas by collecting gifts. This not only included the N.H.S. but was successful in getting the whole student body involved.

Then again in March it was back to the child development center for an Easter Egg Hunt.

This years N.H.S. was also unique in the fact that this was the first year in which sophomores were inducted. The N.H.S. felt that the early years of high school were very important and if sophomores were inducted it would give them and their underclassmen an incentive to strive for Scholarship, Leadership, Service, and Character.
