With a 4-0 record and sixth in the state, the Walterboro Bulldogs fought a tough battle against the Middleton Razorbacks, who were ranked seventh. It was a defensive battle throughout the game with Middleton winning 7-0.

"It was a tough game all the way, but we just made one little mistake, said defensive end Franklin McCoy.

Homecoming night was an exciting game. Walterboro defeated the Burke Bulldogs 40-0 and ended the season 6-4. Greg Teasedale (32) scored on a 44 yard run off-tackle. Jeff Caldwell (41) did the honors next. He scooted 50 yards for the score. Then on first and ten, Garrett Carter (7) threw a 35 yard bomb to Ronnie Colson (17) for another T.D. Ernie

Wright (20) wanted some of the action too. He picked off a pass and sprinted 40 yards down the right sideline for another Bulldog score. "It was a great season and I loved it, but I thought we should of won a few more games," said Jeff Caldwell.

Steve Carter, offensive coordinator recalled the season as follows. "I thought we had a good season but not good enough. The first four games were more than satisfying. The fifth game was a bad turning point which included injuries to key players. We started to regroup at the Goose Creek game but by then we had players sick. We weren't healthy in the playoffs either and didn't play to well. All in all I actually had more fun coaching these kids because they were so eager to learn."
