The Kick is Back, *and getting stronger.*

Although this was the second season of soccer at WHS, it was still a new sport. There's no question that the soccer Dogs did improve significantly over a winless first season. They beat North Charleston and Orangeburg, tied a surprised H.E. McCracken team, and lost 13. The biggest game of the season came when the Dogs lost to a strong James Island team (now conference champs) by a score of only 1 to 3. Only 4 of these defeats were shutouts.

Anthony Woods and Chris Legourd gave the Dogs alot of opportunities at midfield.

Timmy Geathers, Elijah McNeil, Charles Pinckney, Dale Hoover, and Craig Williams, played offense for the Dogs.

Walterboro relied on a strong defense. Fullbacks; Garrett Carter, Rolfe Martin, Richard MacLean, and Robert Clark and goalies; Grover Owens and Michael Carter, were all part of what the fans called the "Smurf Defense".

"I just hope we can improve as much next season as we did this year", said Coach Bob Williamson.
