

Cross Country

Running Long and Hard

The Cross Country team coached by John Clark was the first in Walterboro High's history.

Running long, hard miles for a few hours each day was the routine before meets. "Running, running, and more running was what we did, but it was fun. I thought the season was great; it was tough, but it was worth it", stated Elijah McNeil.

The course that the players ran on was usually marked off with chalk and 3.1 miles long. Three team members qualified for the

State Cross Country Meet. Chris Legourd placed 14th with his best time of 16:30. Elijah McNeil came in 23rd and Jody Crider 27th.

At the Region 6-AAAA meet Chris Legourd placed first followed by Elijah McNeil and Jody Crider.

Considering the team's newness, the outcome was good; expressed Chris Legourd. Though Cross Country was not the Boston Marathon it was just as demanding for the new runners.
