Coming on Strong

All they needed was experience.

The Junior Bulldogs took the first game of the season and then suddenly went into one of those things you call a slump. Then in the middle of the season, the Dogs came out of their shell and blew everything off the court. Only losing a few games at the end of the season, the Dogs had a pretty good finish.

Leading the scoring was Daryl Black. The junior varsity team will be losing a very talented player to the varsity team, but they

should be tough next year.

When asked his opinion of this year's team, Coach Bullock replied, "This years ball club was very inexperienced, with only a few starters from last year. It took them a few games to get adjusted before they won six in a row. They worked hard and a few of the players could be valuable assets to next year's varsity team."
