

Varsity Girls Basketball

On the Right Track . . .

Girls win their first game ever.

The Walterboro Varsity Girls Basketball Team started off on the wrong foot, but strengthened as the season progressed. Building a young team with a new coach at a new school was tough. The girls worked hard during practice and went onto the court to do their best and more.

Leading the scoring was Vernel Williams

and Wilhamenia Young. Vernel Williams also lead the team in rebounds. There were two young ladies who stood out on defence, Michelle Wasson and Consyon Holmes.

The girls had a good attitude and worked with enthusiasm. They can't wait for next year!
