

Track

A Hop, Skip, and a Jump

The Big Four

The track season of 1983 was the best season for several years. Although it was a team effort, the "Big Four" pulled them through a great season. The "Big Four"—Willie Frasier, Chris LeGourd, Tony Stephens, and Jeff Caldwell—broke many school records and racked up most of the points.

The first major track meet was the Beaufort Track Classic. Walterboro placed first over ten other teams. Jeff Caldwell broke the Beaufort Track Classic record as well as the school record with a jump of 13'4". Willie, Chris, and Tony also broke school records at that meet.

In the region meet, held at James Island, Walterboro placed third. This meet deter-

mined who would be selected for state. The "Big Four" was selected.

They went to the state competition with Tony Stephens winning both the discus and shotput events. Chris LeGourd (Two Mile Run) and Jeff Caldwell (Pole Vault) both came in sixth place. Willie Frasier, having had a bad day, did not place in the long jump event. Overall, their performance was outstanding.

The track season of '83, with its sportsmanship and dedication, was definitely a first class act.

Track team members take time to clown, for photographer Jeff Caldwell.

Up and over, Jeff Caldwell is flying over the bar.

Front Row: Greg Kinsey, Rolfe Martin, Tony Stephens, Harrison Jenkins, Abraham Bryan. Second Row: Timothy Gethers.
