

Spirit Week

Doctors, nurses, priests, and jockeys. What were these people doing at W.H.S. on Nov 1? Businessmen, lawyers, and servicemen roamed the hall all day long. Due to the elections on Nov. 2nd. we had no school, but we returned on the 3rd. to find numerous punkrockers and slobs. Dirt, glitter, and wiggly boppers were everywhere. On Thursday everyone was dressed to kill in three piece suits, frilly blouses and high heels. An appro-

priate close to that special week could only be a day with everyone dressed in blue and white. Nothing else could be described this way but Spirit Week.

A fun filled Spirit Week was a great kick-off for a victorious homecoming evening. The Walterboro Bulldogs closed their season with a 40-0 win over Burke and Rhonda Jones was crowned Homecoming Queen.

Modeling their wiggly boppers are Jenny Padgett and Jennifer Clark.

Showing her spirit on Slob Day is Penny Badger.
