

Blood Mobile

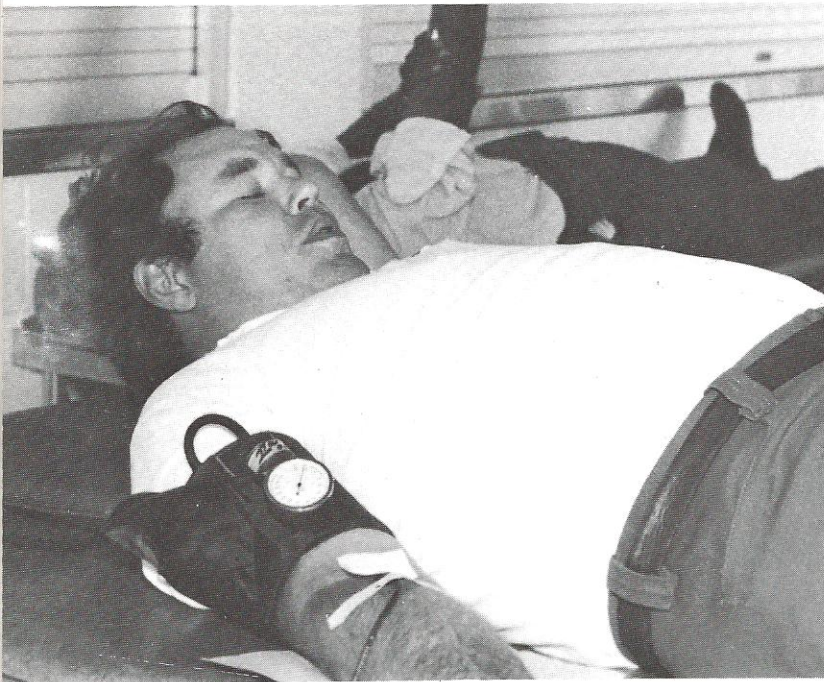

Silent Heroes

In school, a hero is usually thought of as that certain football or basketball player who scores the winning point for that special game or that brainy senior who scores 1250 on the SAT. But, we have our own kind of hero—the silent hero.

The silent heroes were very helpful on November 23rd. From those silent heroes the Red Cross collected 97 pints of blood which may help people our heroes will never know.

We were very proud of all of our silent heroes. They went through alot, answering questions, filling out forms, having their blood pressures and temperatures taken. Then when the waiting was over and the blood had been given, our heroes were proud of the sacrifice they had made to save a life.

We would like to thank all of our silent heroes for their brave tasks. It was well appreciated. Thanks!

Doing his duty as a concerned citizen, Coach Driggers gives "the gift of life."

A Red Cross volunteer assists Trippe Padgett while he gives blood.
