

# Stairway to Heaven

Students worried about broken heels crooked ties and upside down corsages: However, as they walked into the gym, a feeling of awe suddenly came over them. All of their worries were forgotten.

Handsome couples danced among floating clouds, shining stars, silver balloons and dancing planets. The chosen theme was "Stairway to Heaven". "It's hard to believe that the gym was decorated in two days! It was simply beautiful," said Freshman Kathy Lawson.

Music was performed by Gate-

way. Selections ranged from country, popular and soul to beach music. As they have done in the past years, the Junior class sponsored, decorated and chose the band for the much enjoyed prom.

Light refreshments were served by Mrs. Lelia Williams, Mrs. Laverne Crawford, Mrs. Carolyn Lewis and Mrs. Luara Hughes. After a warm night of dancing and conversing with friends, students headed to the beach for a fun filled weekend of clear skies and sunshine.

Taking tickets at the door are Mrs. Betty Farmer and Mrs. Cindy Sarvis.
