Miss Senior

Miss Senior is a title that has been passed down through the years to a senior girl who is both beautiful and talented. This year's Miss Senior, Lori Maddox was no exception. "What I disliked most about being in the contest was all those eyes staring at me. After everyone started clapping for me, I was fine." She did prove that she was worthy of the crown of Miss Senior. The senior class made a wise decision.

After being crowned Miss Senior, Lori Maddox gives the crowd a quick smile.
