

Garrett Carter, No. 7, kicks game winner against Middleton.

Commitment to Excellence

On the Road to a Winning Season

Most people probably thought that the Varsity Football season started at the beginning of the school year. But the players actually worked out all summer in the well equipped weight room, and practiced twice a day before going to football camp at Erskine College. There they rebuilt the squad from the ground up and learned to play together as a team.

The Dogs got to show their stuff as they defeated Hanahan 6-0 in the annual Ser-

toma Classic. Walterboro dropped their first two regular season games to a more experienced Orangeburg-Wilkinson team and a very potent Beaufort offense. Then the Dogs countered with their first season win over a surprised Wando team. Garrett Carter scored all nine points for Walterboro while Samuel Pinckney had a fine game on defense. Inspired, the Dogs went on to beat Berkeley 22-7.

Most of the team's summer days are filled with football practice.

Caprice Rhone watches the action as he rests on the sidelines.

Benji McCoy, No. 14, prepares to hand off in the Sertoma Classic.
