Bullpups strive for success

The Bullpup's season started off pretty slow with their first game against O.W. being rained out. The Pups burst out to a 2-0 record. Their momentum dropped a bit after they lost 3 of their next 4 games. The drive, however, was still there. They won the next two games hands down giving them a 4-5 record. The last game against Burke would decide whether or not this year would be a winning year. The Bullpups jumped out to an early lead. The pups totally dominated the first half but the second half was another story. The Burke Bulldogs made a startling second half comeback which brought them within 3 points of tying the game. But when the final whistle blew the Walterboro Bullpups arose victorious. The Bullpups finished the season with a winning record of 5-4.
