

Jackie Sanders tries to slip under the tag at third base.

## Batting 1000 *and then some*

The field was lined off and the bases were laid out. Girls were pulling their gloves from the places where they had rested since last year. Would they go all the way this year or would they fall to the wayside? Only time would tell.

The Lady Bulldogs started off in top form beating opponents from the left and right. They seemed undefeatable until they were upset by Holly Hill-Roberts. The team, however, was not effected. They went on to win the rest of their regular season games. They lost the first game of the playoffs but they held on until they lost to Spring Valley in the Lower State Semifinals. According to

Yolanda Lisbon, "It was a successful year thanks to Coach Adams and my teammates." The team's strength this year was in its hitting. The Lady Bulldogs averaged 16 points a game but only allowed their opponents to score 6. Contributing heavily to the team, Laverne Aiken, hitting 561, Bernice Magwood, who hit well over 600 and Betty Cochran, named most valuable player, whose pitching helped keep the other team from putting points on the board. The feeling of all the players can be summed up when Sharon Howell said, "We had a great season, but next year we will go to the top."

**Deborah Campbell, Edith Davis,** Sandra Rice, Phyleashia Davis, Marvelyn Holmes, Minthale Harrison, Angela Ford, Stephanie Brown, Jackie Sanders, Cherie Hudson, Betty Cochran, Crystal Justice, Sharon Howell, Bernice Magwood, Yolanda Lisbon, Laverne Aiken.

**Betty Cochran,** Walterboro's most valuable player, releases her pitch.
