

Pam McDonald clears a hurdle in the 300 meter intermediate hurdles.

Athletes' Feat

they do the job

It was a banner year for the girls' track team. The season saw a team of young girls rise up against overwhelming opponents and hold their ground. It was a season of firsts and it was a year of personal bests.

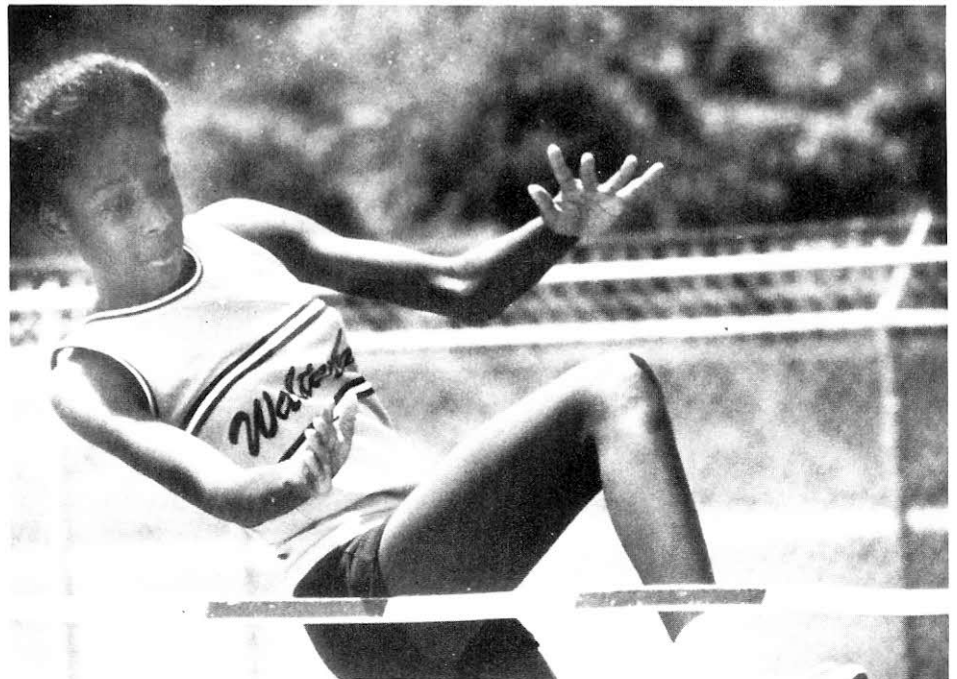

The first meet of the season was not one of the girls best but it was very important. It gave them useful experience that the young team needed. They improved with every meet, culminating in their first victory of the year at James Island. The girls were tied with James Island going into the 1600 meter relay, the final event. The girls won by 3 yards

giving them their first victory of the season. It also marked the first win in the history of girls' track at Walterboro High.

This year's team displayed many fine performances, however, the two athletes who stood out above the rest were Anna Thomas and Karen Nesmith. Both girls made it to the state meet. Anna Thomas placed 6th in the shot put while Karen Nesmith finished 4th in the high jump. These girls as well as the entire track team will be returning next year to try and make 1985 even more successful than 1984.

Scoreboard

1st	2nd	3rd
Beaufort	H.H.	W'boro
S'ville	W'boro	Midd.
H.H.	Battery Ck.	W'Boro
	Berkeley/Middleton rained out
