

**Fun was what the weekend** was all about, and that is certainly evident in this water fight between Amy Wright and Anne Hall.

**Although Karen Beebe was injured** in a serious car accident, she wasn't about to miss Jr./Sr. She is pictured here with Stacey Barwick and her crutch.

**The Pavilion** also provided a hangout for students during the weekend. Thea Gollar and Deanna Woods play pool and take a break from the sun.

**Sharing a Coke** and some Better Cheddars, Darren Christianson, Brad McLean, Jackie Carter, and Stacey Murray gather outside of their house.
