A good sense of humor was always welcome in the monotony of a regular school day. A good laugh was sometimes all one needed to brighten their day. Two seniors who helped provide these laughs were Andrea Bishop and Barry Evans. These two were chosen as having the "Best Sense of Humor" by their peers.

Andrea always had a smile on her face. "I've always believed that laughter is the best medicine," said Andrea.

Barry Evans is captured in a rare serious moment. Barry was known for his wild sense of humor.

Andrea Bishop tells one of her crazy jokes at the lunch table. Andrea was also a member of the WHS Singers.

Barry was well-known for his antics. Barry was always around trying to cheer someone up with his humor. "I just try to keep everyone around me laughing so I can be happy too," said Barry.

Although these two know the values of humor. They also know how to be serious. Andrea was a member of the WHS Singers. Barry was an active member of the FCA and trumpet solist for the prestigious Band of Blue until a collarbone injury prevented him from doing so. These seniors have proven that you can be a good student and have fun, too.
