FOR  
IT

If anyone thought that last season would be a season to remember, they should know that this season was one for the record books.

For the first time in Walterboro's history, the football team had an undefeated season and was ranked number one in the state. For the second consecutive year, the Bulldogs soundly defeated Summerville and clenched the conference title.

Returning about twenty-three seniors from last year's squad, the Bulldogs were expected to do well, but many never thought that they would have been ranked number one. All of the local news media declared Walterboro's game, the

game of the week every week. Everyone wanted to know if anyone could beat the Dogs.

"I'm proud of the team," said Head Coach Leroy Riley. "I hadn't expected them to go undefeated." Coach Riley attributes this year's phenomenal success to a combination of experience, talent and an overall good attitude.

Again, the Bulldogs ended the regular season with an overwhelming victory against Summerville Green Wave. Only this year, the Bulldogs romped the Wave at home before a capacity crowd.
