

## Most Attractive

Danielle Whitacre  
& JaDaris Manigo

**Danielle Whitacre** - *Trident Technical College*. Danielle was known as the class beauty throughout high school, so it was no surprise when she was named Most Attractive for the senior class. She was the Varsity Cheerleading Captain and a lead in several Spring Musical Productions.

**JaDaris Manigo** - Well known by the senior class as a ladies man, JaDaris was not a surprising pick for Most Attractive either. He often won people over with his charming smile and sparkling eyes.

## Prettiest Eyes

Erica Brown  
& Ernie Fishburne

**Erica Brown** - Beautiful eyes are a rare and special trait, and Erica was blessed with them. Because she was popular among the student body, lots of people looked to her for advice.

**Ernie Fishburne** - Though some may have picked Ernie a sure candidate for Most Comical, Ernie's eyes won him recognition. He wasn't surprised when he found out he had won and just smiled with pride.
