How nasty IS YOUR CAR?

Jhayley Chassereau

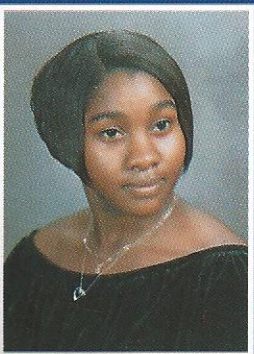

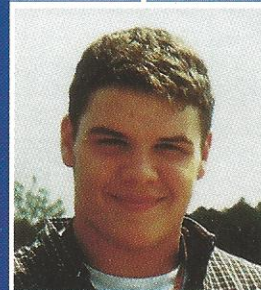

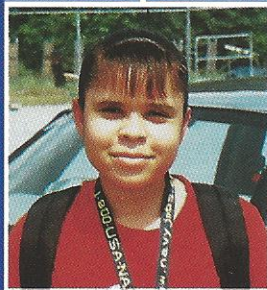

"My car is a 1996 Grand Am. It is very nasty. I have food and paper in the side-door pockets, and I also leave clothes and shoes in my car every day."
-Lareatha Crosby

"I have a gold Toyota. I like to keep it clean, but most of the time it stays pretty dirty. The outside of my car though, stays clean."
-Jamaal Gant

Thomas Compton

Quintina Cox

"I live in two different houses, so I have a lot of clothes in my car. My car is not very big so there is not much room for the trash that I keep in there."
-J.D. Neal
