

Run, Run as fast as you can. Star runner for the cross country team, sophomore Calen Brown, runs as hard as he can in hopes of winning first place. Calen worked very hard and dedicated a lot of his time to the team this season.

Touch those toes girls. Coach Smith is helping to prepare the girls cross country team for their run. The team must stretch to loosen up their muscles to decrease risk of injury.

They keep going, and going. The girls give it all they have during this race. The girls were always forced to do their very best, which was all that was accepted by their Coach.

Ready for it to be over! Around the corner and away they go, two cross country girls build their speed at the competition. These girls were tired, out of breath, and just ready to cross the finish line.
