## 3, 2, 1; That's How It's Done!

**Not Stealing today...** As a James Island player tries to steal to 2nd base, Junior Jim Iademaco turns and throws the ball to first baseman, junior James Bazzle, for the out.

**Home Run Baby...** As junior Joe Iademarco tries to concentrate on hitting a homer the team waits patiently. Joe did hit the ball and made his team mates very happy.

**Not Getting By me...** The ball will not be getting by junior Jim Iademarco. He was always ready to get someone out. Jim, as well as his twin brother Joe, were both known for their talent in baseball.

**Time Out...** Coach Kennedy calls a time out to have a serious talk with the boys. The boys ended the season soon afterwards, proving that pep talks encouraged the boys to play harder.
