

The 1984-85 Jacksonian is dedicated to a special friend. He means a great deal to our school. If it weren't for him, Andrew Jackson Academy would not be open. We all owe him a great deal of appreciation for everything he has done. CONGRATULATIONS!

## Mr. Padgett, Headmaster

The 1984-85 Jacksonian is presented in memory of Jeffrey Tuten, a true Confederate. We will always have very fond memories of him through the years here at AJA.
