

The Class of 1987 spent a great deal of time decorating for the 1985-86 Junior-Senior Prom. The many hours spent decorating paid off the night of the "Big Party". The prom was a **BIG SUCCESS!**

"Up Where We Belong" was the theme which was highlighted by pink and white balloons and white streamers. The beautiful decorations and refreshments were very impressive to all attenders. Special moments were given to enhance a lasting memory of the night. The Class of '87 appreciated watching the enjoyment of their guest.
