

Honors & Achievements

During the summer Angel Brandt and Angel Crim were chosen by Mrs. Stanley to attend an academically gifted camp at Wofford College in Spartanburg. At Wofford each of the girls were required to attend various classes. However, Wofford wasn't just all work! The two Angels agreed that this was a learning but also a fun experience.

Angel Brandt & Angel Crim

Shannon Woods

Chosen by Mrs. Stanley to attend the Clemson University Agriculture Seminar, Shannon Woods said that he enjoyed the experience of visiting on a college campus and learning about agriculture. Shannon attended morning and afternoon classes. During the week he visited a tree farm where he learned how to fertilize and crossbreed pine trees. "The experience was rewarding and I had a great time!" exclaimed Shannon.
